

Philoxenia Village Expansion

Philoxenia Vision Wall

Help us build the Philoxenia Village Expansion by purchasing a Brick for our *Philoxenia Vision Wall*.

Each Brick purchased will have engraved the name of the contributor and the name of their town. The wall built with these bricks within our new Philoxenia Village Expansion will forever showcase not only your contribution to our facility, but more importantly the power of strangers from different communities when they come together. Remember Philoxenia means "*Love for a Stranger*"; the Philoxenia Vision Wall will display Strangers helping Strangers.

Contribution per Brick: \$1000
